

MEET THE 2022 STEM PROFESSIONALS PANEL

Aletris Neils

Executive Director
ConservationCATalyst

Dr. Aletris Neils is a wildlife ecologist and conservation biologist with over 20 years of experience working with carnivores. In 2008, she founded Conservation CATalyst, a nonprofit organization dedicated to research, education, and conservation pertaining to the world's cats and other carnivores. www.ConservationCATalyst.com

Alyxandra Van Stockum

A recent PHD graduate of the University of Tulsa Cyber Corps Program and School of Cyber Studies
She will be working for the NSA in Washington DC

Ananya Asthana

Founder + Executive Director
Women in STEM (WiSTEM)

She founded Women in STEM when she was 14 and a freshman in high school after recognizing the gender disparity within her school in STEM extra-curriculars and high-level STEM classes. By 2020, WiSTEM had grown to include more than 80 high school chapters around the world.

Ananya is currently a student at Yale University
www.womeninstem.org

Becky Zawalski

Field Educator for Blue Thumb, a statewide citizen science program that trains volunteers to monitor creeks and streams.
Blue Thumb is a program from the Water Quality Division of the Oklahoma Conservation Commission.
